

Cambridge ICFE : International Certificate in Financial English

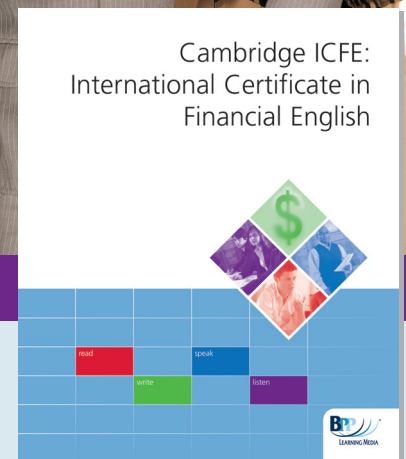

Visit www.bpp.com/learningmedia

Embark on this exciting new international qualification from Cambridge ESOL and the ACCA, with ground-breaking new materials from BPP Learning Media.

Cambridge ICFE is a truly global programme that provides you with an unparalleled opportunity to obtain a prestigious qualification certifying your skills in financial English, and to demonstrate your ability to communicate both in writing and in person with fellow finance and accounting professionals.

Studying for the Cambridge ICFE will help to improve your powers of reading and understanding financial English, of communicating on financial and business issues in written English and of listening to and using spoken English in the business environment.

“ACCA is delighted that BPP Learning Media - already recognised and trusted by accountancy and finance students for their study materials - has produced a workbook to help students prepare for the Cambridge ICFE exam.”

Aude Leonetti
Director of Education and
Professional Development, ACCA

How can I Benefit from Cambridge ICFE?

Ideally suited to a diverse target audience, in particular students of finance and accountancy and accountants and finance professionals working in an international environment, it also extends to those who are:

- seeking employment in a finance or accounting context, for example in accounting firms, finance departments and government agencies
- intending to study a finance or accountancy course which has a significant English language content, either in your own country or abroad
- in search of some formal certification to demonstrate your proficiency in English, perhaps in support of a job application.

Study Materials Designed to Help you Achieve your Goal

BPP Learning Media's Cambridge ICFE Workbook has been written specifically to enable candidates throughout the world to prepare for the Test. It contains sections on each element of the Test, including:

- **A detailed explanation and analysis of the test requirements for each section**
- **Worked illustrations demonstrating how to tackle the tasks**
- **Plenty of practice activities based on the style of the test and the topics that it will cover**

There is also a full mock Test with model answers.

The topics within each section are centred upon issues and problems that financial professionals would expect to encounter in the course of the working day and about which they need to be able to communicate in English. These include areas such as financial reporting, takeovers and acquisitions, investment appraisal, professional ethics and corporate governance.

The Workbook includes two audio CDs, providing illustrations and practice for the Listening and Speaking sections of the Test.

Boost Your Career Prospects!

Order the BPP Learning Media Cambridge ICFE Workbook today. You know it makes sense to study for this valuable and worthwhile qualification and demonstrate your skills in financial English.

The Test

The ICFE Test is held twice a year, in May and November, in Cambridge ESOL centres around the world, including the UK.

The Test comprises four elements:

- **Reading**
- **Writing**
- **Listening**
- **Speaking**

Each element of the Test is based on realistic texts, tasks and topics similar to those that finance and accountancy professionals can expect to encounter in their working lives. The BPP Learning Media Workbook replicates the style of these texts, tasks and conversations throughout, so that candidates are totally familiar with the style of the Test and confident of what is expected of them.
